All services are free of charge and provided through the generous contributions of our volunteers.

The therapies listed in this program are subject to change.

***Please note: Solaris Cancer Care services are limited to adult patients and their carers who are undergoing current cancer treatment and to those who are palliative.
At the conclusion of treatment, a further six sessions only are offered.***

THE CHEMO CLUB @ BODYCARE HEALTH CLUB

Join our free exercise program for patients currently receiving treatment. Exercise has been shown to reduce the side effects from cancer treatment, improve energy levels, aid immune function and may improve outcomes in some types of cancer.
