COURSES & WORKSHOPS

CARER'S COURSE

Are you providing care for someone with a serious illness?

Join us for this free one day workshop aimed to help you in your caring role. The course focuses on the challenges and demands of being a carer, and provides participants with a wide range of information and practical strategies to increase their coping skills, with self-care a constant theme throughout the course. The main goal is to improve the quality of life for both individuals in the caring relationship.
